The Hamilton County SWAT Team is a multi-jurisdictional SWAT Team comprised of police officers from departments all across Hamilton County. The SWAT Team serves all the communities which make up the Regional Chamber Partnership and many of those communities have officers who participate in SWAT.

Scheduled to speak on behalf of the SWAT Team are Field Commander Mark Rankin of the Norwood Police Dept. and Asst Team Leader Tim Holloway of the Evendale Police Dept. Tim and Mark have 25 years combined SWAT experience and have responded to hundreds of situations involving Hostage, Barricaded and Suicidal Persons, High Risk Warrant Services, Dignitary Protection assignments and other special police operations.

Tim and Mark will be sharing information with you on how to keep your workplaces safe, how SWAT can help you and your business and how you may be able to help SWAT as well as sharing some exciting and interesting stories based upon their experiences. There will also be a tour and presentation of some of their vehicles and equipment they use to keep us all safe.

For reservations, call Kathy Walters at 741-7951 or email mkwalters@cinci.rr.com
